See page 16 for more info!
Warmer temperatures have our staff thinking summer and so should you! I am inviting everyone to take a look through our guide to see what is in store for you this summer season. I’m eager for our community to start enjoying our great programs like established favorites Summer Park, Parent Tot Open Swim, Youth Golf at the Bog or Outdoor Pickleball and to try something new. I’m certain there is something for everyone and excited to help you make this summer one to remember.

New this summer, we are bringing camping and s’mores to you with our Great Port Washington Campout! Pack your tent and sleeping bag, fill the cooler with sandwiches and snack and come on over to Upper Lake Park for a fun filled campout complete with games, s’mores, tie dying, medal-lion hunt, and star gazing. You and your family will not want to miss this one!

No matter how you choose to spend your free time this summer I encourage you and your family to get outside and enjoy our community parks, open spaces, waterpark, beaches, walking paths, fitness equipment, playgrounds and more. There is no doubt that you will see and feel the benefits from utilizing our parks and being outdoors this summer.

Please do not hesitate to contact me with any questions, comments or suggestions. I look forward to seeing you through many of our programs and events this summer.

All the best,

**Yoga & More**

**All Level Yoga**
Yoga postures are modified to accommodate all levels and conditions, offering both beginners and experienced students with a satisfying practice that will improve strength, balance and flexibility as well as bring more awareness to body and breath.

**Gentle Yoga**
This yoga class is perfect for the newer student or for those looking for a more therapeutic yoga practice that focuses on flexibility, balance and relaxation as well as providing you with more energy and clarity. The instructor may use props such as chairs, blocks or straps to make yoga more accessible for those with limited mobility.

**Slow Flow Yoga & Meditation**
Did you know that traditionally, the physical yoga poses, or asanas, were seen as a way to prepare the body for meditation? This yoga class begins with slow and gentle vinyasa flow sequences and then transitions into an extended savasana, or final resting pose, allowing time for a guided meditation.

**Zen Barre**
Zen Barre uses the principles of barre, yoga and Pilates with an emphasis on strength training. This is a challenging and unique workout designed to sculpt and strengthen your entire body as well as increase flexibility.

**Zumba**
A Latin inspired dynamic dance exercise class designed for everyone at any age or fitness level. No dance background required — just join the party and before you know it, the workout is over. Sneakers or shoes that allow for pivoting are recommended.

**Aqua Zumba**
Aqua Zumba blends the Zumba philosophy with water resistance. There is less impact on your joints so in this class you can really let loose. Water creates a natural resistance, which means every step is more challenging and helps tone your muscles.

Swim lessons at Pirates’ Hollow follow the American Red Cross curriculum. Along with teaching children how to be safer in and around water, we also introduce them to life skills of self-confidence, perseverance, and courage. We are committed to providing an environment where your child feels safe enough to try new things and accomplish goals. All of our instructors are Water Safety Instructor (WSI) certified and lifeguard certified by the American Red Cross.

Please review all of the swim lesson information and level descriptions carefully to ensure you enroll your child in the correct level!

**What are the prerequisites for each level?**
The prerequisite for each level is the successful demonstration of skills from the preceding level. The skills are listed in each level’s description on the following page.

**When should I anticipate my child passing into the next level?**
We advise you NOT to anticipate your child passing. Swim lessons are not like school and students progress at different rates. It is not unusual for your child to repeat the same level several times. Try not to compare your child with others, instead concentrate on their ability to physically and mentally perform each skill. If your child is registered for the wrong class, transfers will be made only on a space availability basis.

**Swim Lesson Information**
There are no make-up lessons held due to inclement weather, unless there are less than 6 total sessions held. Classes could be cancelled due to the following reasons: 1) moderate to heavy rain, 2) thunder OR lightening, 3) air temperature below 65°F, 4) mechanical or facility issues. Every effort will be taken to make decisions on cancellations one half hour before each lesson starting time. Weather can be unpredictable and changes quickly, please call the Parks & Rec Office for cancellation information at (262) 284-5881.

**Ratios of Instructors to Swimmers**

| Parent & Me | 1:10 |
| Skippers   | 1:6  |
| Level 1-6  | 1:8  |

**Private Swim Lessons**
Our private swimming lessons give swimmers individual, focused attention, allowing them to learn swimming and safety skills quicker than in traditional group classes. **Sign up for private swim lessons will begin on May 13.** To sign up please fill out the private swim lesson request form found at the Parks & Rec Office and online at portwashington.recdesk.com. Once the form is returned, arrangements for private lessons may be made with the individual instructor through the Parks & Recreation Department. The instructor will call to schedule lessons on an agreeable time and date, starting with the first person on the sign-up list. Payment for private lessons will be due at the beginning of the week prior to the start of the first lesson. No lesson may take place without payment prior to the first lesson. Please choose schedules with instructors wisely. **Cancellations must be received more than 24 hours in advance.** Lessons cancelled less than 24 hours in advance will still be assessed the entire fee to compensate the instructor for their time. Should an instructor need to cancel, the lesson will be rescheduled with no penalty to the swimmer.
